Dear Sailors, Coaches and Teams,

We are looking forward to welcome you at the 2021 Allianz Regatta! To make your stay as smooth as possible we would like to update you on the travel possibilities for the Netherlands, please read the instructions below carefully!

COVID-19 situation

The government currently marks the situation as 'very serious' which is the highest level of risk and means there are still restrictions in the daily life. With the current policy the infection numbers are stabilizing as well as the capacity in the hospitals. Every week the Dutch government analysis the situation and decides if the policy changes.

For the accurate COVID-19 situation in the Netherlands and the accurate rules please check our [government website](#), since the situation changes week by week.
